

The I-do-it-myself syndrome keeps us from accepting the gift of God's grace. Can you relate to its symptoms? Do you:

- Resort to self-mastery or surrender to the Master?
- Run on willpower or rest in the Greater Power?
- Strive for your will or accept divine will?
- Fear the future or trust in the Planner of the future?
- Seek control or seek the Kingdom?
- Walk alone or lean on God?
